Terms and conditions

Terms & Conditions

1. Overview & Acceptance

By accessing **RushPrint.store** or placing an order, you agree to be bound by these Terms and Conditions. If you do not agree to all terms, please do not use our website or services. We reserve the right to update or modify these terms at any time without prior notice.

2. Account Registration & Communications

When creating an account, you agree to provide accurate information and are fully responsible for maintaining the confidentiality of your password and all account activity. By providing your contact information, you consent to receive order updates, shipping notifications, and promotional materials via email and SMS text messaging (standard message and data rates may apply).

3. Modifications to Service & Pricing

All descriptions of products and pricing are subject to change at any time without notice, at our sole discretion. We reserve the right to modify or discontinue any product or service without liability, and we reserve the right to limit the sales of our products to any person or geographic region.

4. Order Placement & Cancellations

* **Payment:** All orders must be paid in full before production begins.

* **Changes & Cancellations:** Because our products are custom-made and processed for rapid fulfillment, online orders can only be changed or canceled within **5 minutes** of placement. Once this window passes and production begins, no changes can be made, and all sales are final.

5. Rush Production & Shipping

* **Rush Processing:** To get your products to you as fast as possible, all our production operates exclusively on a **Rush Order** basis.

* **Timelines:** Your final delivery date is a combination of our rush production time plus the shipping carrier's transit time. We are not responsible for delays caused by the shipping carrier, weather, or natural events.

* **Address Accuracy:** Customers are responsible for providing correct shipping details. Any extra fees incurred due to an incomplete or incorrect address (such as carrier rerouting fees) will be billed to the customer. International customers are solely responsible for paying any necessary import taxes or customs duties.

****6. Digital Proofs & Color Matching****

* **Digital Previews:** Order previews on our website are computer-generated approximations. They do not guarantee exact scale, proportion, or color matches to the final physical product.

* **Color Matching:** Exact color matching (including PMS or Hex codes) cannot be guaranteed due to variations in monitor displays and physical ink mixtures. Slight color variances are not considered defects.

* **Proofs Delay Production:** If you request a digital proof prior to printing, **rush production will not begin until you approve the proof**. Delays in approving your proof will delay your final delivery date.

****7. Printing Standards & Product Nuances****

* **Alignment & Location:** We cannot guarantee that artwork will print in the exact same microscopic location from piece to piece. Minor shifts in print location are standard in the custom printing industry and are not considered defects.

* **Product Characteristics:** Promotional items may have minor visual imperfections, and certain materials (such as silicone or plastics) may have inherent, temporary odors from the manufacturing process. Apparel is subject to standard shrinkage during washing.

****8. Returns, Refunds & Remakes****

* **Custom Goods:** Custom-printed items are bespoke and **final sale**. We do not accept returns or provide refunds for buyer's remorse or customer-provided errors (such as typos, incorrect sizes, or uploading the wrong design).

* **Company Errors:** If you receive an item with a manufacturing error on our part, you must report it within **60 days** of delivery, including photos of the issue. We will review the claim and issue a remake or store credit.

* **Volume Shortages:** Pursuant to industry standards, if a defect or shortage affects less than 10% of the total order volume, we reserve the right to issue a pro-rated store credit rather than initiating a partial re-do.

****9. User Content & Intellectual Property****

* **Your Rights & Liability:** By uploading artwork, logos, or text, you guarantee that you own the legal rights or have explicit permission to use them. You agree to fully indemnify

and hold RushPrint.store harmless from any intellectual property infringement claims, legal fees, or damages arising from your submitted artwork.

* **Our Rights:** We reserve the right to refuse, reject, or cancel any order containing artwork that we deem to be lewd, abusive, violent, illegal, or infringing upon a third party's intellectual property.

****10. Limitation of Liability & Warranties****

Our website and products are provided on an "as is" and "as available" basis. To the maximum extent permitted by law, RushPrint.store disclaims all implied warranties of merchantability or fitness for a particular purpose. In no event shall RushPrint.store, its directors, or employees be liable for any indirect, special, incidental, or consequential damages arising from the use of our products. In any event, our total liability to you for any damages shall not exceed the amount you paid for the specific order in question.
